

Wolsey Lodges Food Trail

Welcome to the Wolsey Lodge Food Trail for lovers of good food.

Luxury accommodation, idyllic settings, and hosts who go out of their way to ensure your experience exceeds your expectations.

Wolsey Lodges is a collection of friendly, fascinating and uniquely individual homes in some of the finest locations in the UK and France. Hosts take their food seriously and are great supporters of local produce and Farmers Markets. Many hosts grow their own produce and give visibility to small scale farmers, fishermen, growers and artisan producers helping to protect traditional food of their region.

Staying and dining in many Wolsey Lodges enables guests to leisurely taste and enjoy a standard of food served in very few other places at such reasonable cost. Dinner is prepared on a small scale (usually from two to ten people) by their hosts who are talented cooks and chefs, and thus is of a very high standard.

The following Lodges in England, Scotland, Wales and France will take you on a taste trail experiencing different regional variations reflecting the uniqueness of each Wolsey Lodge.
