Come and stay at Church House an imposing 'Georgian' house which was in fact designed by Jeremy and built eight years ago, set in the beautiful Dorset countryside.

Enjoy the peaceful walks and return to a crackling fire with homemade cake and crumpets.

The house is beautifully furnished, all set off by Elizabeth's paintings which grace the walls throughout. Elizabeth is an artist of note and can give a painting course in her studio. See <http://www.elizabethparsons.com>

Set in a superb location for visiting Stonehenge, Shaftesbury, Longleat, Montacute, Sherborne Castle, Bath and Salisbury among others or spend a day at Wincanton Race Course or explore the glorious surrounding countryside.
