Welcome to the Wolsey Lodge Food Trail for lovers of good food.

[Salford Farm House](#), Evesham, Worcestershire

Richard and Jane Beach of Salford Farm House are lucky enough to have their own farm shop 'Hillers' with many local growers supplying them with fresh vegetables and fruit daily.

Located in the Vale of Evesham so asparagus and other vegetables are literally grown over the road. Their farm grows strawberries, raspberries, apples, plums, and summer fruits. They also have their own butchers at the farm shop with all the meat and game reared for them on the Ragley estate. Bread is baked daily and the deli usually has over a hundred English cheeses on sale at any one time.

'Hillers' won local food retailer of the year 2007 for the Midlands, with prizes awarded at the House of Commons.

Guests usually manage a visit to the shop and frequently write to the hosts saying how much they managed to take home with them. Their sausages seem a particular favourite along with their own raspberry jam. One couple comes all the way from Devon to buy a case load!
