

Wolsey Lodges Garden Trail

[Newtonmill House](#), Brechin, Angus

The garden at Newtonmill House is a traditional walled garden abundant with flowers and vegetables.

It is opened to the public occasionally for charitable events which are always very well supported. It will be open on June 28th this year under the Scottish Garden Scheme in aid of the RNLI, with tea served in the garden courtesy of the RNLI.

In the summer months it is brimming with colour and scent from the rose, herbaceous, peony and iris beds. Many different vegetables and fruits are grown in season and used for guests for dinner and breakfast. There is easy access to all parts of the garden with hedge lined gravel paths, and wide lawns.
