Anchorage House

Page No. 14

Anchorage House has been named as 'One of the 100 Finest Places to Stay in England'. It is sophisticated luxury and offers huge comfortable beds, free WiFi, heated indoor swimming and leisure complex with 15 metre lap pool, sauna, hot tub and gym. Anchorage House is child-free and totally non smoking.

Anchorage House is all you could hope for with ultra-modern bathrooms with power showers, stone tiling and free-standing baths, and exquisitely stylish bedrooms and exquisitely stylish bedrooms and suites with fridges, large flat-screen televisions, CD/DVD players, courtesy trays and every luxury you could expect. Special attention to detail and flair is evident everywhere.

Your Hosts

With their previous experience of owning and operating a country house hotel and restaurant in their village, Jane, (who's English) and Steve, a retired U.S. Navy Special Operations Commander, offer their guests the ultimate in comfort and hospitality.

The Location

Situated outside the picturesque village of Tregrehan Mills in mid-Cornwall only 5 minutes from the famous Eden Project, Carlyon Bay beach and golf, and Charlestown tall ship harbour (where 'Pirates of the Caribbean' and 'Hornblower' were partially filmed). The Lost Gardens of Heligan, NT houses and gardens, Bodmin Moor, Fowey and Mevagissey fishing harbour are a 15 minute drive away.

Finding Us

At junction of A391/A390, turn left (east) onto A390. About 300 yards further on and directly opposite the St. Austell Garden Centre, turn into a small lane signed Tregrehan and then immediately left leading to the courtyard of Anchorage House.
