

# WOLSEY LODGES

## Salford Farm House

Page No. 114

All that is best in English country house hospitality can be found at 18th century Salford Farm House, which sits in the beautiful Vale of Evesham, surrounded by open farmland. Guests are welcomed to this beautifully furnished home with tea in the award winning garden or in winter the sitting room with inglenook fireplace, is the perfect place to unwind.

In this relaxed atmosphere, the bedrooms stand out for their comfort, traditionally elegant style and wonderful views over the garden. Both en suite bedrooms have feature cast iron fireplaces and invigorating power showers. Bedroom one has a bath with shower over and the second bedroom has a walk-in shower. Each room has sky television for those who may not want to completely switch off from the rest of the world.

The ½ acre garden with unusual herbaceous borders and masses of spring tulips, features a calming fish pool and pergola made from 150 year old deer fencing. There is a two acre demonstration garden of old fashioned roses and unusual herbaceous plants at Richard's farm.

### Your Hosts

Richard is a fruit farmer and Jane, a ballet teacher. Their hospitality is generous, the food delicious (using meat and game from neighbouring Ragley Estate and with fruit featuring highly on the menu!) and they guarantee that their guests take a store of happy memories away with them.

### The Location

The beautiful Stratford-upon-Avon Theatre is just 15 minutes; the NEC Birmingham 40 minutes; the Cotswolds and Cheltenham races 40 minutes and Worcester Cathedral is only 30 minutes.

### Finding Us

From either Stratford-Upon-Avon or Evesham, take A46. Turn off A46 towards Salford Priors. On entering the village turn right opposite the church (signed Dunnington). Salford Farm House is approximately 1 mile on the right.
