

WOLSEY LODGES

The Old Vicarage

Page No. 21

Step inside this classical Victorian vicarage and you will instantly appreciate its warm and relaxing atmosphere. The central hall with its original Minton tiles partially covered with antique rugs, boasts galleried stairs and landing. The well proportioned sitting and dining room are tastefully decorated with antiques, original paintings and comfortable soft furnishings. Here, log fires blaze in the marble fireplace during winter months.

Upstairs, the restful bedrooms have lovely aspects - the twin room having pleasant views over the garden and into the valley beyond, and the double looking toward the historic 12th century church, often bathed in floodlight at night.

Arranged on three levels, the large garden features a well planted rockery with small shrubs and alpines, extensive lawns and a peaceful summerhouse, which guests are welcome to use.

Your Hosts

To ensure your stay is pleasant, personal and memorable, Pauline and Roger are happy to share their knowledge of the local area. Pauline, a former teacher, enjoys cooking for guests using fresh produce from their garden and her hobbies include riding. Roger continues to work part time in textiles and maintains an active interest in sports. Both enjoy gardening, walking, wine and travelling

The Location

The Old Vicarage is set in the heart of the English Shires. The Derwent Valley Mills World Heritage site is on the doorstep and the Peak National Park is only 20 minutes away. Within 45 minutes are a wealth of country houses including Chatsworth, Haddon Hall, Hardwick, Kedleston, Sudbury and Calke Abbey. Other local attractions include 4 golf courses, Donnington Park, Denby Potteries, Crown Derby China and Crich Tramway Museum.
